

## MESSAGE FROM THE BOARD PRESIDENT

It is with immense gratitude and excitement that I step into the role of Board President. This organization represents so much more than sports; it is a place where children of all abilities are celebrated, supported, and empowered to shine. From the moment I became involved, I was inspired by the joy, perseverance, and sense of belonging that this community fosters, and I am honored to help carry forward its mission.

Since its founding, LOD has served over 900 athletes in Kern County. These remarkable accomplishments are a testament to the dedication of our volunteers, the generosity of our donors, and the resilience of our athletes and their families.

As we look toward the future, our goal is to continue expanding our reach and impact. Together, we will work tirelessly to ensure that every child, regardless of ability, can experience the joy and to transformative power of sports. I am deeply committed this mission, and I invite you to join me as we dream big and make a lasting difference in the lives of our athletes.

Thank you for being an essential part of the LOD family. Your unwavering support inspires me every day, and I am excited about what we will achieve together.
